Ecosystem

WE ARE ENHANCING ENTREPRENEURIAL EDUCATION IN SYNTHETIC BIOLOGY

OUR GOAL?

To empower budding entrepreneurs in Europe to revolutionize industries, expand globally, and create the next generation of unicorn startups

Provide youth access to SynBio industry

Enhance entrepreneurial education

Empower female SynBio talents

Boost youth digitalisation and IT skills

Support EU innovation ecosystems locally and holistically

Facilitate flows of SynBio innovation resources across EU

Funded by the European Union under the Grant Agreement No 101005050. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or European Innovation Council and SMEs Executive Agency (EISMEA). Neither the European Union nor the granting authorities can be held responsible for them.
